To Whom It May Concern:

Re: Letter of Recommendation

Robert Castillo- BMX

In June of 2012 we hired Robert Castillo and his BMX group to do an assembly on the last day of school. It was a huge success. The students were so thrilled to see the stunts and exhibition that was put on.

This is a great assembly. The company is wonderful to work with and we already booked them for 2013 as well!!.

Sincerely,

Maddie Bowers
