To Whom It May Concern:

My name is Brandon S Beaver and I am the Continuous Improvement Manager/Safety Team Member for Niagara Bottling, LLC Concours Facility. Each Quarter when we hit our Safety record we will throw a safety fair to reward our team members. This includes a huge BBQ, gift raffle, Jumpers for the kids, face painting, etc. This past safety fair in June 2012 we were able to take it to the next level by bringing in Robert Castillo's BMX Freestyle Team to perform during our event. This was a huge success! The BMX Freestyle Team put on the best shows and had the whole crowd engaged from start to finish. It was really impressive to see the guys performing for our safety fair that are also on covers of the BMX Magazines, X Games, and top finalist from the Dew Tour. The team is very professional, well spoken, and signed autographs until the last person was satisfied. I highly recommend using Robert Castillo's BMX Freestyle Team at any type of event where you need some extreme entertainment.
